

Colours in Arabic

Age: 5-7 Years

Assalamu Alaikum Children!

Everyone likes colours. We see colours in our daily lives. They are used to identify and classify objects around us.

Let us learn the names of colours in Arabic.

Colour the circles as specified in English. Then, match them to their Arabic names.

...And in the mountains are tracts, white and red of varying shades and (some) extremely black. [Qur'an 35:27]
