Blessings of Allah ﷻ

Age: 5-7 Years

Assalamu Alaikum Children,

Allah ﷻ has bestowed many blessings upon us. These blessings have made us all very happy. We thank Allah ﷻ by saying *Alhamdulillah*. Let us learn a few other ways to express our gratitude for the blessings.

Allah says, "*If you are grateful, I will surely increase you (in favour)...*" [Surah Ibrahim, Verse 7]

Match each blessing from Allah ﷻ with its most suitable rewarding deeds.

Blessings of Allah ﷻ	Rewarding Deeds
Food and Drinks	Fill it with the recitation of the Qur'an, and the morning and evening *duas*.
Clothes	Thank Allah ﷻ. Share with neighbours and the needy.
House	Enjoin good, forbid evil, and remind each other of Allah ﷻ.
Parents	Thank Allah ﷻ. Recite the *duas* when wearing and removing clothes.
Friends	Respect and obey them. Pray for them.
