

## Forms of Arabic Letters

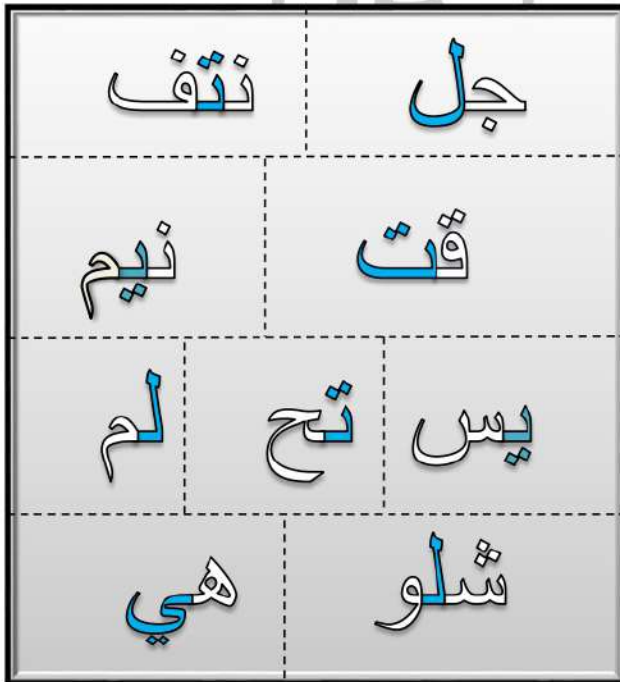

Age: 5-7 Years

Assalamu Alaikum, Children!

Have you ever noticed how Arabic letters change form depending on where they are in a word?

The box below contains a set of words with the letters 'ت', 'ل', 'ي' placed in different positions within the words. Identify each letter by observing how it changes according to its position.

Cut and paste the words that contain the same letters in the respective boxes.

	ت
	ي
	ل
