

Our Qiblah

Age: 5-7 Years

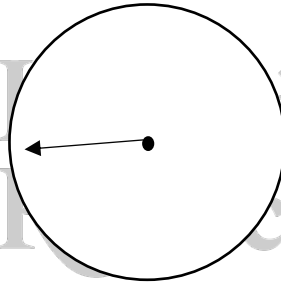

Assalamu alaikum, children! Do you know what the Qiblah is? Qiblah is the direction we turn to to pray to Allah ﷻ. Earlier, we had a different Qiblah than the one today. Allah ﷻ had commanded Prophet Muhammed ﷺ to change his direction of praying in 624 CE.

Let us learn about these two Qiblahs by completing this interesting worksheet.

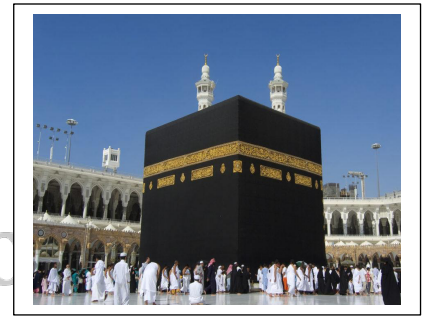

Below are 2 compasses. Move the arrow by drawing it to indicate the Qiblah towards the correct picture, before and after the change of Qiblah.
